### OBJECTIVE

I am a recent College graduate seeking a position that will allow me to use my Bachelor of Information Technology, my practical experience, strong interpersonal skills as well as my eagerness to contribute to a quality company. Moreover, I would like to work in a professional and active environment where I can apply what I was taught at college to progress and develop within my job. I take also coding bootcamp to upgrade my skills. I am applying for the position of C# Developer. I believe that my interests and credentials will match with your requirement.
